Miss M. Eva Polster -

Dear Friend -

Yes, I will call you friend; for if you are a friend to Bro. J. D. Storace, you are a friend to me.

I have known him intimately for 4 yrs as his Pastor, His H. D. will ever truly be a Home for me.

I have also had business dealings with, He is a nice man to do business with, He is a Christian every kind hearted, His wife died last June a year ago, she had been greatly afflicted with Rheumatism and was a cripple for many years - helpless as a child.

He was so kind & affectioned to her, I never saw anyone so devoted to his wife. I was with them & I attended her funeral.

He will make any woman a good

husband - kind, true & affectionate,
He lives in a nice valley on a
nice farm which he bought
last spring. The house is near
the Lake 1 1/2 mile above Dar-
town, where we have a nice
Church & a nice Congregation.
He is worthy of a good woman's
friendship & love.

I am glad to have the privilege
of saying these good things of him
& to recommend him to you.

Yours Sincerely,
John W. Leav,
