Person Notes: Administrators for estate approved in Butler County, Ohio, 18 July 1831
A history of early settlers of Rowan County by Eugene Bean says that Frederick was in Rowan in 1789. Land records in the county indicate that he purchased 120 acres along the bank of Cold Water Creek from Samuel Wood on 30 September 1790 (LDS film # 007640166, Inferior Court record, p. 81). This property was sold in 1815 when the family migrated to Ohio.
